Use this in a welcome email or possession letter to introduce the Virtuo Home Concierge as part of their new home experience.

The stress-free way to move – and you're invited.

We know moving can often be a daunting and stressful task - but it doesn't have to be. We've partnered with Virtuo to include a complimentary [Home Concierge](#) to make the move into your new home stress-free!

Your very own Virtuo Home Concierge will manage all the details of your move and coordinate other important yet often time-consuming tasks - like transferring utilities, mail forwarding, and garbage setup - so you can focus on settling into your new home.

Need boxes? Or maybe you need someone to pack those boxes? Whatever you need, they have the experience of thousands of moves and will find the perfect solution tailored to you. You get to sit back and enjoy all the excitement of your new home - without the anxiety of a never-ending to-do list.

What comes next?

Your Virtuo Home Concierge will send you an email in the next few days to introduce themselves.

Keep an eye out for your invitation to access the Virtuo App, so you can stay up-to-date and in control, every step of the way. Track your Concierge's progress coordinating your move, review all your to-dos, access quotes from trusted service providers and stay on budget – all from a tap of your phone.
